CFamie helped
L build online quiz
L one TF

TF [redacted] [redacted]

Solution

~~quiz on her quiz.~~
- who had that question + how to change it

- 1) Edit question
L change answer
- 2) View all submissions
L regrade
L Moodle will re-calculate for those who got the question on their test

- TF Random CMW + OT. 20%
L 3rd one super markets of the future
L answer is TRUE

~~AM~~

PM

[redacted]
[redacted]

folfree lake

2 different groups

groups + groupys
for self sign up. tied to assignments
Auto create groups - make 15
set enrolment limit (3) in self enroll activity
Create groupy

[redacted] = [redacted]

1 lecture

L ideas BBS lectures made years ago

- move them around

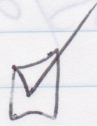

2/noodle lectures - impact - DL to copy to next course

BBS recordings at of BBS into my media or DL as such

solution:

- Record in Kaltura first.
- move certain lectures to new course (now)
- Remove student identify info & permission to use
L screen record presentation window in Kaltura Capture

Office Hours Dec 13/22

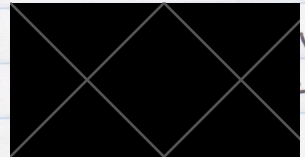

Course totals
↳ export just course totals

All 5 in one shell

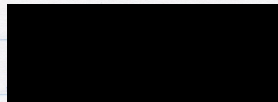

coding

youtube video
embed

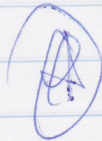

Office Hours - Dec 14/22

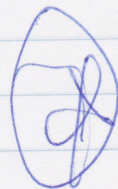

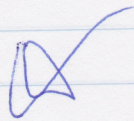

and

Onvade display
↳ no duplication

Discussion - notify

reply → go to all students
↳ just to one

URL in Folder

Office hour - Dec. 20/21

MGR

Exclude empty grades:

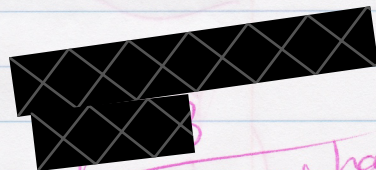

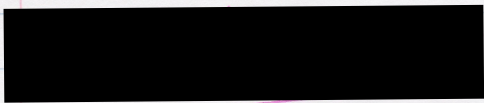

① Sort pt in OS

② 09 - bonus mark added - mirror 03

③ Course set up for winter → new courses - metalhead, separate groups - import content

Hide drop courses

include if ~~X~~ don't include
hidden in gradebook
shown in course

L Maths prog. Yr. 1-4.

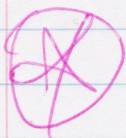

L note to students in Moodle ~~(X)~~
L site not getting

Pran has
buggy course
control
program

- side tab. title is

L not completed ~ revert to draft
L auto

additional attempt
L unlimited

L incomplete ~ automatically upload. ~ not possible
L multiple attempts

L IT ~ instructors auto forward

~~(X)~~ L drag email.
